TO: Chief Clerk of the Senate  
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: March 15, 1995

SUBJECT: **HB 954**

This bill, if enacted, will provide that any participant in the Voluntary Cleanup Oversight and Assistance Program that conducts an audit, investigation or cleanup may not limit disclosure of the nature or the extent of such investigation and cleanup to any party or in any legal proceeding. The state shall have no right of action against any participant that conducts such audit, investigation or cleanup in accordance with state guidelines.

The fiscal impact from enactment of this bill is estimated to be an increase in state expenditures to the Hazardous Waste Remedial Action Fund; however, such increase cannot be determined but is estimated to exceed \$100,000.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
